VITA Chairside Excellence: CEREC 40 Special Edition

This three-day course with Jürgen Sander in Goa offers dentists an immersive hands-on experience with a range of VITA materials. Participants will gain practical skills in polishing, individualization, and esthetic layering techniques. In addition to the clinical sessions, the program includes relaxed social activities in a scenic beachside setting, providing opportunities for networking and informal exchange.

Instructor	Jürgen Sander, VITA Instructor, Bad Säckingen, Germany
Date/Location	November 07–09, 2025, Tanisi Resort, Goa, India
